Night Care

No.1
BEST

with Device

Advanced Regensome Cream

Anti-wrinkling & Whitening

Re:Cell Advanced Regensome Cream has a rich but tightly adhering texture and is very lightweight, making it ideal for daytime use. When used before makeup, it provides the right oil-water balance and allows for a natural-looking glow.

- Apply a small amount to the face at the end of your morning and evening skincare routine.
- Using your fingertips, massage in outward circular motions to absorb it thoroughly.
- For daytime use, or if you have oily skin, just one small amount is enough.
- For evening use, layer a small amount 2 to 3 times for a better effect.

* Adjust the amount according to your skin type and season.

BEST

Re:Master Duo Ampoule

Pure 20% Vitamin C Ampoule
PDRN-Peptide Collagen Ampoule

Anti-wrinkling & Whitening

- Apply after toner for pH balanced skin.
- Apply an appropriate amount of the Vitamin C Ampoule to the whole face and gently absorb using your fingertips.
*Do not pat. It will make it sticky.
- Wait at least 1 minute and apply the collagen ampoule.

*This is a high concentration of pure vitamin C 20%.
Due to the nature of the ingredients, it may tingle.

Biomimic Vital Balancing Derma Lotion

Dermatologically tested

- 01 After cleansing your face, dampen a cotton pad with the right amount of Biomimic Vital Balancing Derma Lotion.
- 02 Gently sweep it across your skin, following its texture, then softly pat in any excess with your fingertips.

Hydration Boost When your skin needs hydration, soak a cotton pad generously with balancing lotion and leave it on for about 5 minutes. This method is great for boosting moisture and calming the skin.

*Try using it with the See-Through Multi-pad!

Biomimic Vital Derma Cream

Dermatologically tested

- After finishing your skin care routine, apply a proper amount and smooth into skin.
- Apply a proper amount to the face and body where moisturizing is needed and gently spread.

Moisturize your skin barrier all day long, even with morning care!

- When applying before makeup, it helps to create a smooth skin appearance.
- When used during the day, before going out, it helps protect the skin from UV and external elements.

For itchiness caused by dryness, use Requa Calmming Gel Cream!

- After applying the derma cream, you can also reapply the Requa Calmming gel Cream to the itchy areas from time to time to help soothe and relieve.

Triple-Revital Antioxidant Essence

Anti-wrinkling & Whitening

- For evening use, take an appropriate amount before the cream and gently spread it.
* Do not pat.
- After application, allow 1-2 minutes for full absorption before using the next product.

8GF Perfection Cleansing Essence

Dermatologically tested

- **How to gently remove sebum and debris effectively in the morning**
Press down the pump two or three times to dispense the foam into your hands. Gently massage the foam all over the face and rinse the foam off with lukewarm water.
- **How to cleanse makeup, oil, dirt, and other debris at night**
Remove make-ups. Press down the pump two or three times to get enough foam. Massage the foam all over the face for at least a minute and rinse the foam off with lukewarm water.
Once your face is wet, pores need **30 to 40 seconds** until fully open.
- If you have sensitive or dry skin, gently massage the foam over the face for **30 to 40 seconds** only.
- If you have oil skin, massage the foam over the face for at least a minute.
*Get your cleansing done in a minute

Requa Calming Gel Cream

Dermatologically tested

- Ideal for daily skincare for sensitive, irritated skin.
 - Use daily in combination with other skincare products for a noticeable improvement.
- Use before daily morning and evening creams!**
- During the summer season, when sebum levels are high, you can also use it in place of your morning/evening cream step.
 - It provides ample moisturization and helps balance oil and moisture.

Also use it on irritated areas.

- It has excellent skin soothing effects and can be used topically on irritated areas such as the face, arms, legs, neck, and other areas that need soothing.

UV Expert Rejuvenate Sunscreen

Anti-wrinkling & Whitening
& Sun protection

- **At the end of your basic morning skin care routine.**
Using with Re:Cell Biomimic Derma Cream and/or Advanced Regensome Cream adds another layer of moisture that help your skin prepped even further.
- **Apply proper amount to face, neck, arms, legs and any parts of the body that are exposed to intensive sunlight.**
TIP! Wear Re:Cell sunscreen to prep your skin for makeup.
Evening out the skin tone and adding another layer of moisture help your makeup lasts all day.

Re:Cell Advanced Regensome Cream with Device

Whitening and anti-wrinkle dual-function cosmetics

A high-functional anti-aging cream that helps change vibrant and healthy skin by enhancing antioxidant, anti-aging and skin regeneration capabilities of 8GF growth factors specialized for skin regeneration.

Healthy skin looks and feels better the more you apply it

Fast skin transformation

Contains 8GF growth factor and VITA10 SOME specialized for skin regeneration and elasticity, creating amazingly smooth, even skin tone and elasticity after a single use.

Transforming texture

A rich, highly concentrated texture that melts into skin, absorbs quickly and glides on smoothly, leaving no residue.

Super moisturizing Transparent glow

Long-lasting nourishment and hydration for a brighter skin tone and healthy glow

A powerful skin renewal re:cell skin regeneration complex™ formulated with optimal proportions and technology

A system researched and developed to create a powerful synergy across all stages of skincare, from start to finish, with three core ingredients perfected by Re:Cell's exclusive formulation technology.

- ✓ Heal, stimulate growth, and regenerate skin cells
- ✓ Energy supply to enzymes, proteins and skin cells & moisture optimization
- ✓ Skin cell protection and prevention of premature aging

Ageless 8GF solution with exclusive technology
for rich nutrition and extreme elasticity

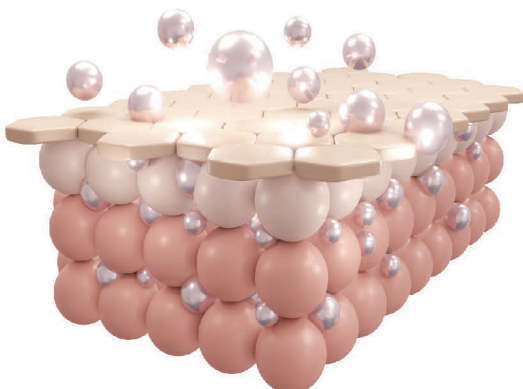

8GF growth factor specialized for skin elasticity and regeneration helps promote skin cell growth by regulating various intracellular functions such as cell growth, division, healing, and differentiation. It also promotes antioxidant, anti-aging, and extracellular matrix synthesis to strengthen the skin's natural strength, resulting the skin to be healthier and more elastic.

- Hydrate, Moisturize, and Revitalize Your Skin
- Helps repair damaged skin
- Effective in improving skin firmness and health

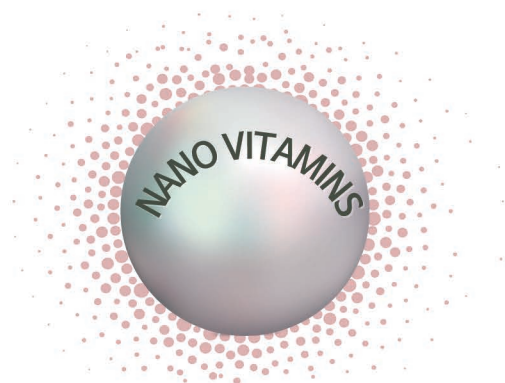

**Active Component Booster
NANOSOME**

Maximizing the stabilization
and synergy of active ingredients
to enhance skin absorption

Complete your skin with a transparent glow
VITA 10 SOME Nano Liposomalized

Synergistic combination of essential fatty acids, amino acids, minerals and 10 selected vitamins in nano-sized form for improved stability and skin absorption.

Hydrating energy to plump skin

Natural Botanical Active Ingredients

Natural Botanical Active Ingredients

High amounts of olive oil, shea butter, beeswax, and skin-friendly natural plant oils, which are plant-based squalane, absorb very quickly, are effective in soothing skin and preventing harmful bacteria, and are excellent for forming a protective film that keeps skin smooth and prevents skin dryness for a long time.

Galactomyces Fermented Filtrate

Various lactic acid bacteria living on the surface of the skin that are rich in vitamins, minerals, amino acids, etc. fill the healing energy in the skin and form a moisture film in the dermis to instantly soothe dry skin and prevent aging.

Bogum Cactus Extract

High amounts of olive oil, shea butter, beeswax, and skin-friendly natural plant oils, which are plant-based squalane, absorb very quickly, are effective in soothing skin and preventing harmful bacteria, and are excellent for forming a protective film that keeps skin smooth and prevents skin dryness for a long time.

Texture

Firm, white, creamy, highly concentrated formulation that most closely mimics skin lipidosis

Smoothness

Extremely concentrated but fast-absorbing texture that spreads quickly and smoothly on contact with the skin, without feeling heavy.

Boost that elasticity!

Look 5 years younger with just 5 minutes of care.

Using LED light, iontophoresis, and micro-vibrations, it delivers the active ingredients of Regen Som Cream deep down to the dermis layer that creates skin cells, enabling even more effective care for rejuvenation, elasticity, whitening, and hydration.

Iontophoresis

Iontophoresis delivers the active ingredients of skin care products deep into the skin and enhances the absorption power

EMS Micro-Vibration

Using EMS low-frequency stimulation, it triggers contractions in the facial muscles, enhancing skin elasticity

LED Red Light

Red LED Light reaches the dermis layer, promoting collagen and elastin production, strengthening skin elasticity

Safety

Completed various certifications and clinical trials through KC certification

Upgraded 2nd Generation All-in-One Device Container

Discover the unique design of Re:Cell's container, which has been upgraded from the 1st generation all-in-one device and enjoy its convenience and luxuriousness.

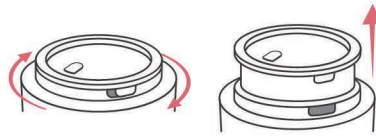

Convenient Refillable Type Container

We've applied a sustainable packaging with our refillable container design. Simply twist to replace, offering both an economical and ecofriendly solution.

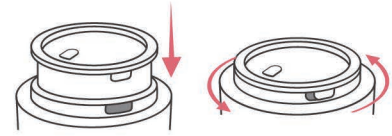

How to Replace the Refill

① Lightly grip the used refill and twist to remove it upwards.

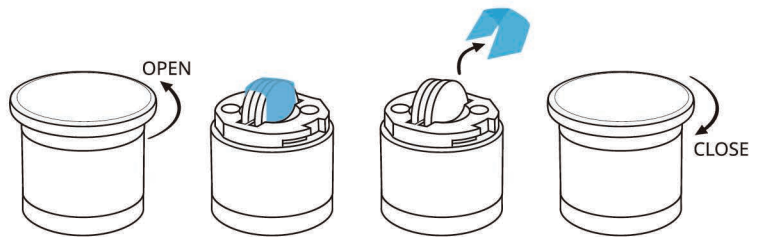

② Insert a new refill container and twist to secure.

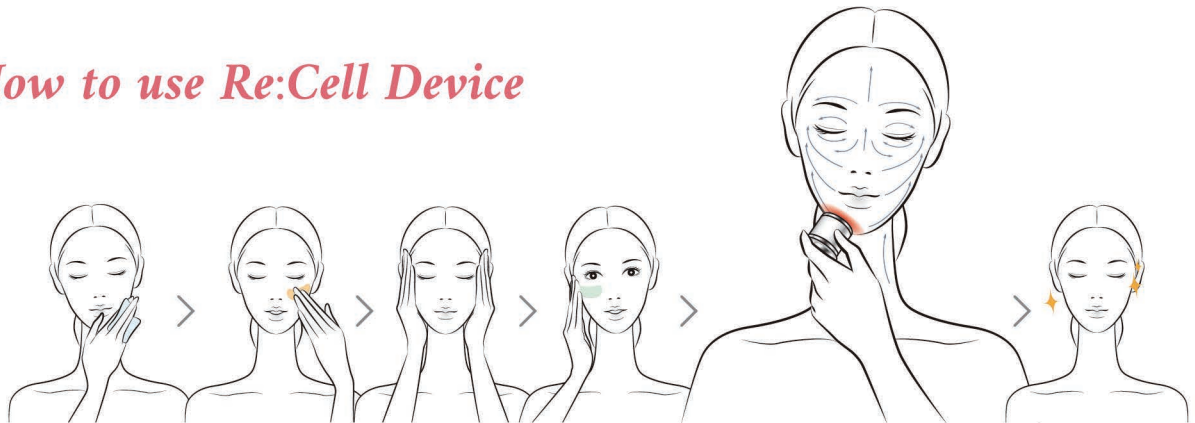

Before using it...

Please remove the film inside the device's battery compartment.

How to use Re:Cell Device

- ① As the final touch to your skincare routine, dab a small amount of Regesome Cream and evenly distribute it over your face.
- ② Once the cream has fully settled, gently massage with the LED device as illustrated in the diagram for around 5 minutes. Remember not to keep the device on one area for more than 3 seconds to prevent skin irritation.
- ③ Afterward, clean the device's head using a dry cloth or moist tissue before storing.

※ We advise against using the device while applying Re:Cell Pure 20% Vitamin-C Ampoule.

※ Please adjust the duration of using the device based on your skin's needs. While it's generally suggested to use 2-3 times a week for up to 5 minutes each session, those with sensitive skin should limit it to 2-3 minutes per session.

How to Use

Re:Cell Advanced Regensom Cream has a rich but tightly adhering texture and is very lightweight, making it ideal for daytime use. When used before makeup, it provides the right oil-water balance and allows for a natural-looking glow.

- Apply a small amount to the face at the end of your morning and evening skincare routine.
- Using your fingertips, massage in outward circular motions to absorb it thoroughly.
- For daytime use, or if you have oily skin, just one small amount is enough.
- For evening use, layer a small amount 2 to 3 times for a better effect.

* Adjust the amount according to your skin type and season.

Re:Cell Pure 20% Vitamin C Ampoule

Whitening and anti-wrinkle dual-function cosmetics

Astonishing bright skin

Formulation with reason for antioxidant synergistic care

Vitamin 20% C

Contains 20% Pure Vitamin C 'Ascorbic Acid'

Pure vitamin C, not a vitamin C derivative, for optimal skin absorption 20% for maximum antioxidant power

PH 3.5

Formulated with a pH close to 3.5

Acidic formulation for optimal vitamin C absorption

Vitamin E

Dual stabilization formulation and VITAMIN E synergistic blend

Optimal blend of acid-weak and unstable vitamin C with beta-glucan and vitamin E for double stabilization and maximum efficacy

patented ingredient for bright and firm skin

MELA-XD

Pomegranate Extract

Controls signaling pathways involved in melanogenesis to help brighten skin

Suppresses free radicals, melanin expression and migration

Horsetail Extract

Improves skin elasticity and wrinkles by promoting cellular activity

Promotes collagen activity

Whitening - Wrinkle patented ingredient

MELA-XD

MULTI - SKINCARE AGENT

Compound extracts of pomegranate and horsetail

Multi-care patented ingredient that improves wrinkled, dull and dry skin due to damaged skin barrier and imbalance

Flawless, natural confidence with 20% pure vitamin C

Texture

- Yellowish, creamy, and highly concentrated formula
- Applies smoothly and absorbs instantly

Recommended for.

- ✓ Concerned about spots and blemishes
- ✓ Concerned about dull, dark complexion
- ✓ Concerned about skin elasticity
- ✓ Concerned about rough skin texture
- ✓ Concerned about dry, rough skin
- ✓ Want to see visible and fast skin improvement results

Re:Cell PDRN- Peptide Collagen Ampoule

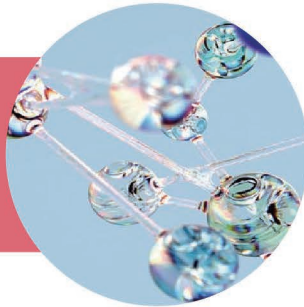

Whitening and anti-wrinkle dual-function cosmetics

X2! Flawless and elastic skin

Contains double collagen to increase the amount of collagen and elastin in skin tissues for a youthful appearance

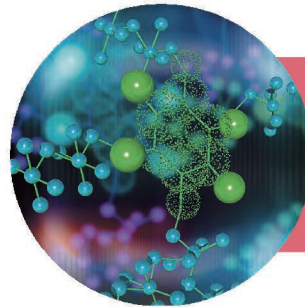

Hydrolyzed Collagen

- Intense skin moisturization
- Improves skin elasticity
- Increases skin density

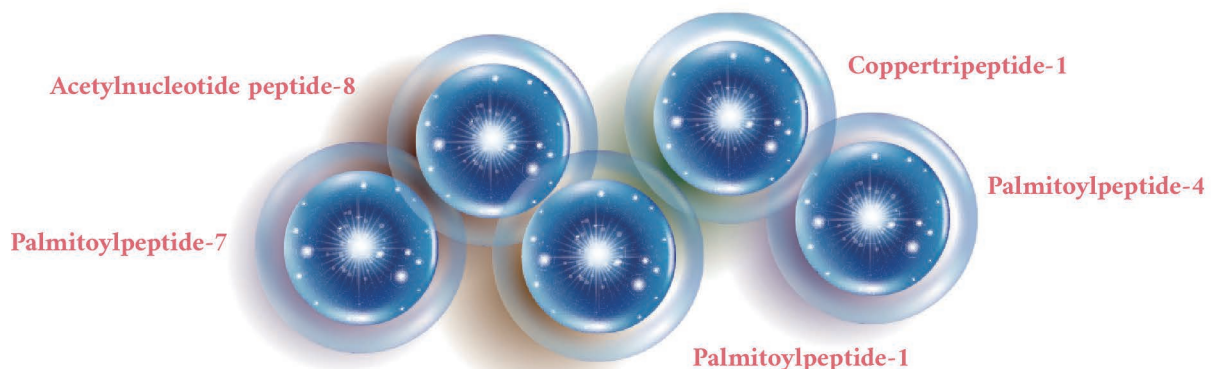

Vegetable Collagen

- Excellent skin moisturizing
- Improves skin tone
- Anti-aging

5-Peptide Complex for firm, tighter skin

Firm skin from the inside out with highly concentrated, nutritious peptides

5 stabilized small molecule peptide complexes

Firming from the inside out
Plumps skin by smoothing fine lines and wrinkles

with Patented Elasticity Ingredients

Enhance elasticity!

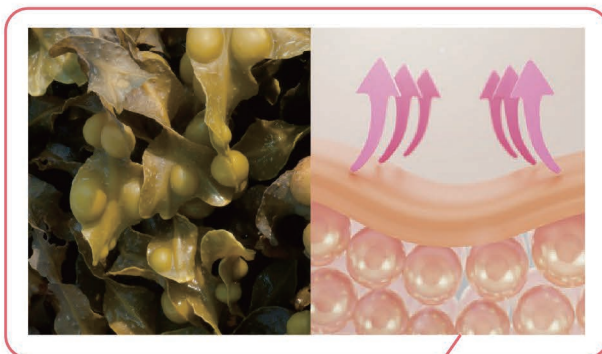

Patented elasticity ingredient

BL-FILL UP

Blackderrack Extract

Enriched with vitamins and minerals to balance the skin and help the skin's natural collagen production to maintain skin elasticity

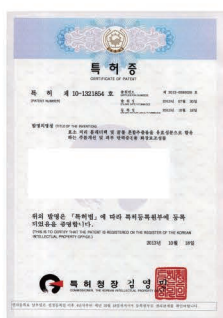

Enhance elasticity

Honey grass Extract

Contains rosmarinic acid, olionic acid, rutin, and flavonoids to improve skin elasticity and brighten skin tone and care for vibrant skin.

Moisturizing

Patented elasticity ingredient

BL-FILL UP

- EWG Grade 1 rated highly stable ingredient
- Combined with Canadian bladderwrack & honey grass extract
- Anti-aging by protecting skin with excellent antioxidant properties Stimulates elastin & collagen production to maintain full, healthy skin

Texture

- Milky, creamy, highly concentrated formula that provides rich nourishment and moisturization
- Absorbs instantly for a non-greasy, smooth application

How to Use

- Apply after toner for pH balanced skin.
- Apply an appropriate amount of the Vitamin C Ampoule to the whole face and gently absorb using your fingertips.
 - *Do not pat. It will make it sticky.
- Wait at least 1 minute and apply the collagen ampoule.

*This is a high concentration of pure vitamin C 20%.
Due to the nature of the ingredients, it may tingle.

- ✓ ***Nutrient Supply*** Essential nutrients for vibrant skin
- ✓ ***Skin Health*** Enhancing skin resilience with patented ingredients

Pure hydration that fills up to the inside of your skin

Quick moisture delivery to tackle dryness while forming a refreshing hydration barrier without leaving oily feeling

Deep Sea Water
66%

Deep sea water is the circulating seawater that exists at depths of over 605 meters below the sea surface where sunlight cannot penetrate. This water is characterized by its low temperature, purity, nutrients, and minerals.

Low Temperature

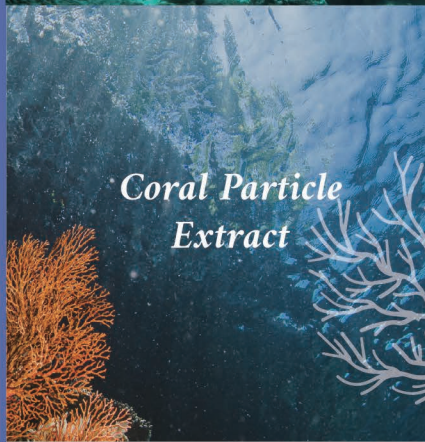

With an average yearly temperature of 2°C or lower, this water is rich in various minerals, nutrients, and salts.

Purity

Since sunlight doesn't reach these depths, marine plant photosynthesis doesn't occur, ensuring the water remains clean and maintains a stable quality.

Nutrients

Due to the high pressure, the nutrients in the seawater break down into components like nitrate and silicate. The presence of ionized inorganic minerals ensures efficient absorption by the body.

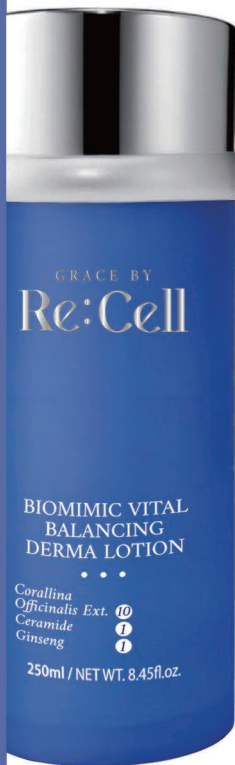

Coral Particle Extract

Coral particle extracts are extracted from red algae coral and marine algae. Marine algae are rich in calcium, magnesium, minerals, and sulfur amino acids. They enhance the adhesiveness between cells and are effective in anti-aging and improving problematic skin.

Rich Nutrients for Your Skin Health

Biomimic Vital Balancing Derma Lotion

For those of you,

- ✔ Are looking for a basic skincare product that provides all-in-one solution for hydration, moisture, nutrition, and skin soothing;
- ✔ Are searching for a irritation-free, large-volume product for the entire family to use;
- ✔ Have a skin type that is sensitive and vulnerable to irritations;
- ✔ Experience severe inner skin dryness;
- ✔ Desire a clear and vibrant skin tone;
- ✔ Are concerned about skin aging and wish to prevent it.

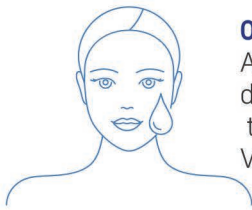

Texture

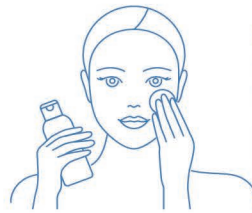

Viscous, serum- and toner-like texture

The moist and smooth application quickly absorbs into the skin without stickiness, offering comfort to the skin.

How to Use

01
After cleansing your face, dampen a cotton pad with the right amount of Biomimic Vital Balancing Derma Lotion.

02
Gently sweep it across your skin, following its texture, then softly pat in any excess with your fingertips.

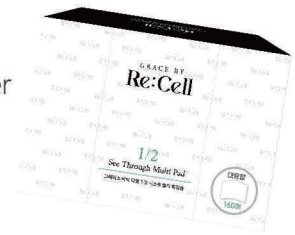

Hydration Boost

When your skin needs hydration, soak a cotton pad generously with balancing lotion and leave it on for about 5 minutes. This method is great for boosting moisture and calming the skin.

TIP!

Grace By Re:Cells's Biomimic Vital Balancing Lotion can be used in all four seasons, regardless of skin type, both as a toner wipe and a water-based toner.

**Try using it with the See-Through Multi-pad!*

Re:Cell

Re:Cell 1/2
See Through Multi Pad

Made of a sponge sheet that excels in moisture delivery and prevents pilling, this pad reduces the amount of toner used by 1/2. its versatile design allows you to cut and customize it to the perfect size for your skincare needs.

STANDARD 100 SE001 132178 TESTEX

VEGAN

Have you noticed that more of your expensive skin care products get absorbed by your cotton pads than into your skin?

Now, don't let your cotton pads take any more!

Only 1/2 of toner is OK!

This uniquely soft sponge sheet ensures that your skin fully absorbs the toner, allowing you to achieve the desired effects with just half the usual amount.

Divide the cosmetic pad in half and apply to both cheeks as a moisture pack!!

Designed with an even thickness, it seamlessly conforms to your skin's natural curves. Whether you're using essence or toner, simply place it on your target area for a quick moisture boost.

Water-drop-shaped cosmetic pad that attaches seamlessly

Its water-drop design is tailored for skin packs, ensuring a snug fit even in challenging spots like around the nose.

A sponge pulp material that doesn't pill!

Thanks to its specially crafted pulp texture, it reduces moisture absorption, ensuring your skin gets more hydration and nutrients without the annoyance of pilling.

Concerned about sensitive skin? Rest easy.

OEKO-TEX Standard 100 Certified

A renowned European textile standard system that ensures materials are free from harmful substances.

With its highest grade, Class 1, it's deemed safe even for the delicate skin of infants and toddlers. Use with confidence.

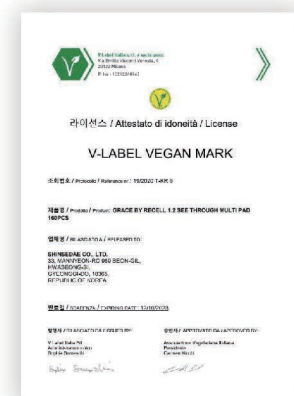

| | | |
|---------------------------|------------------|---|
| Certification Institution | SWISS TESTEX | |
| Certification Breakdown | Textile Products | |
| Grade | Class 1 | Safe for direct contact with the skin and mouth of children aged 0-3. |
| | Class 2 | Items that come into direct contact with the skin, such as clothes and underwear. |
| | Class 3 | Items with indirect skin contact, like filling materials. |
| | Class 4 | Accessories including tablecloths, wallpapers, and curtains. |

V-Label Certification from Italy

Internationally recognized, the V-Label is a mark of excellence for vegan products.

It stands for a commitment to stringent inspections and standards, ensuring the absence of non-vegan materials and additives.

1/2 See Through Multi Pad *For those of you,*

- ✔ Prefers minimal toner absorption by the pad.
- ✔ Is looking for gentle care for sensitive skin.
- ✔ Wants a pad without annoying pilling.
- ✔ Wants hassle-free skin packs.

How to Use

Use it as a Toner:

Dab an adequate amount of toner onto the pad and sweep gently in line with your skin's texture. Then, press the saturated pad against your skin until the toner is fully absorbed.

Use it as a Skin Pack:

Thoroughly soak the pad with your choice of product and place it on targeted areas, like cheeks or forehead.

TIP!

*Try with Grace by Resell Biomimic!
Combine with our Vital Balancing Lotion to
truly elevate your skincare experience.*

Re:Cell

Re:cell Biomimic Vital Derma Cream

Suitable for atopic and sensitive skin

The perfect ratio of high content ectoine and secolage strengthens the broken skin barrier and helps relieve and soothe symptoms caused by sensitive, atopic, dry and problematic skin in a non-comedogenic product for the whole family.

The problem is the skin barrier!

Damaged skin that loses its ability to retain moisture loses its ability to defend itself, leaving skin sensitive and irritated.

pulls due to dryness

Itchy skin

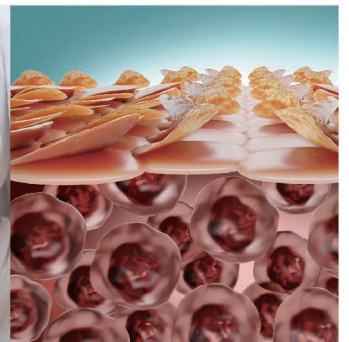

Sensitive to mild irritation

Weak skin

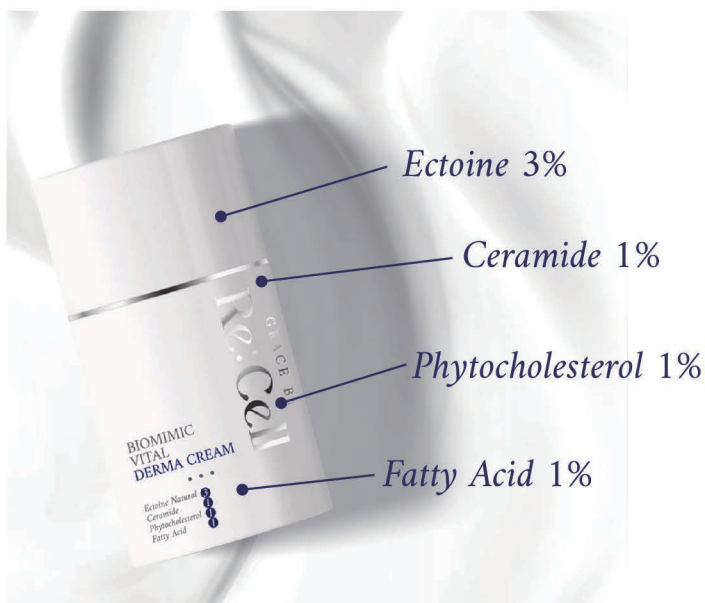

Skin troubles

Sensitive skin

Sensitive, flaky skin that dries up to the core

Dry skin

Strictly selected ingredients and special solution

Real Derma Cream has been developed over a long period of time through continuous research to improve sensitive skin.

Triple Barrier Care Solutions for Sensitive Skin

Enhance moisture retention

Skin-friendly urea helps ectoine increase transfer and reinforces the moisture barrier, which is the key to moisturizing and helps moisturize deeply and last longer

Strengthening barrier function

Ingredients similar to the skin's lipid layer help strengthen the skin's barrier function
Strengthens the skin's barrier by helping to reduce moisture loss to protect it from external irritants

Strengthens the moisture barrier

Biomimetic liquid crystal gel network technology that enhances safety with a formula that resembles the lipid layer of the skin and protects the skin by enhancing the moisture barrier through effective delivery of active ingredients.

For sensitive and delicate skin,
Extremely moisturizing and soothing synergy

Urea

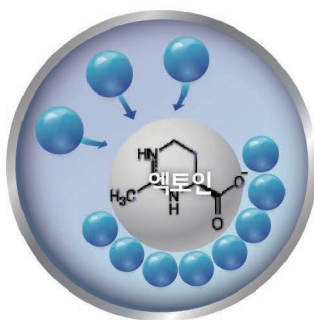

High binding affinity to proteins in the stratum corneum of the skin helps deliver urea-based ectoine effectively

Ectoine

Natural active ingredient derived from an amino acid derivative, which is a self-defense stress protective substance found in microorganisms that survive in extreme environments

Triple action that protect skin health

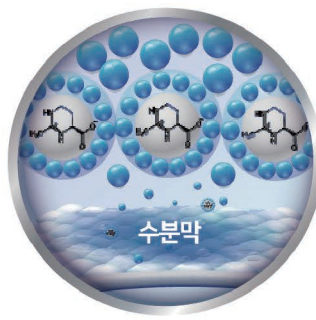

Ectoin Hydro-Complex

Moisture

'Ectoin Hydro-Complex'
Attract and bind surrounding water molecules with ectoin's superior water binding ability

+

Skin protection

Binding water molecules form a moisture film on the surface of the skin, stabilizing the skin barrier and increasing the amount of moisture, maintaining skin health

+

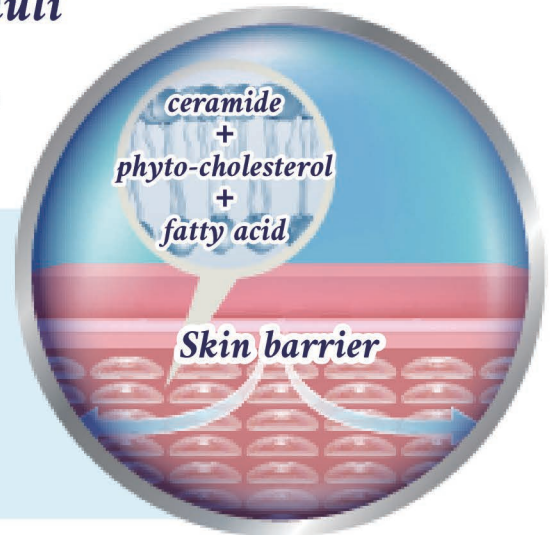

Skin defense

Ectoin Hydro-Complex protects the skin from all kinds of external stress (dryness, cold, heat, air pollution, etc.).

Synergistic with ceramide, phyto-cholesterol and fatty acid that protects skin from external stimuli

With Ectoin and ceramide, phyto-cholesterol and fatty acid as the main ingredients, it maximizes the evolutionary power of the skin without irritation when applied to the skin, helping the skin maintain its natural health homeostasis.

- ✓ Increases the absorption power of ceramide
- ✓ Maximizes the affinity of skin without irritation
- ✓ Helps protect the barrier and form a stronger barrier
- ✓ Helps repair broken barrier
- ✓ Moisturizes the skin and helps maintain skin health

Enhances absorption and moisture barrier

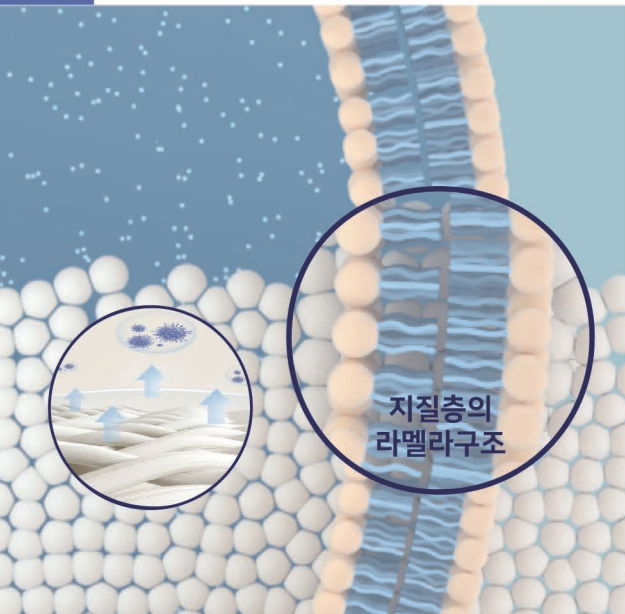

Biomimetic lamellar liquid crystal gel network

Porula with biomimetic lamellar liquid crystal gel network enhances the hydration power of active ingredients and provides a strong moisturizing base for the natural skin

Similar to the skin's lipid layer

BIOMIMIC TECHNOLOGY

- ✓ Enhances the absorption of active ingredients and provides safety.
- ✓ Prevents water loss to help maintain and enhance superior moisturizing properties
- ✓ Enhances the skin's defense barrier to protect against external irritants

A firm, white, creamy formulation that blends smoothly and feels comfortable to apply without feeling oily or sticky.

Biomimic Vital Derma cream *For those of you,*

- ✓ have sensitive, irritated skin due to damage to the skin barrier
- ✓ have severely dry skin and want true moisturization
- ✓ have rough, flaky skin due to dryness
- ✓ want to care for & maintain healthy skin

How to Use

- After finishing your skin care routine, apply a proper amount and smooth into skin.
- Apply a proper amount to the face and body where moisturizing is needed and gently spread.

Moisturize your skin barrier all day long, even with morning care!

- When applying before makeup, it helps to create a smooth skin appearance.
- When used during the day, before going out, it helps protect the skin from UV and external elements.

For itchininess caused by dryness, use Requa Calmming Gel Cream!

- After applying the derma cream, you can also reapply the Requa Calmming gel Cream to the itchy areas from time to time to help soothe and relieve.

Re:Cell 8GF Perfection Cleansing Essence

Natural surfactant, eight different skin growth factors (8GF Complex), multi-vitamin content (VITA 10 SOME) and patented extract of ten different oriental ingredients cleanse and care for the skin.

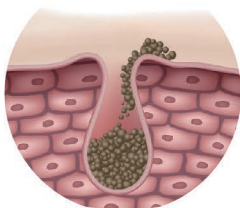

A new paradigm of facial cleansing:
Essential skincare *while* cleansing

Get your cleansed skin **cared**

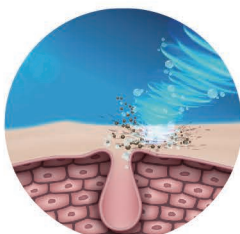

Preventing troubles by using a facial cleanser that suits your skin type.

For sensitive skin types

If too gentle:

Your facial cleanser might have kept your skin dense, but you also might have experienced skin troubles caused by makeup, oil, dirt, and other debris not washed off properly.

For oily or complex skin types

If too strong:

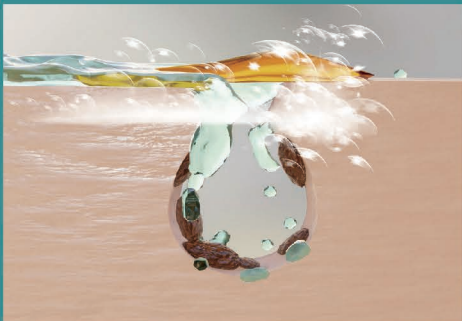

Your facial cleanser has strongly washed off debris for fresh feeling, but it was so irritating that it might have took moisture and protective barriers away, and your skin ended up dried off.

Get your cleansed skin *cared* with
Re:Cell 8GF Perfection Cleansing Essence

A Triple-action Cleanser

Cleans up pores

Oxygen microbubbles effectively absorb sebum and debris for delicate and effective cleansing experience.

Keeps pores moist

Active moisturizing ingredients including 8GF Complex, VITA 10 SOME and 10 different oriental ingredients nourish your skin deep down.

Tones skin up

Skin cleansing that leaves moisture barrier and active moisturizing ingredients balances and tones up your skin.

Less-irritating does mean effective:

A skin cleanser that has your sensitive skin cared.

Natural Surfactant

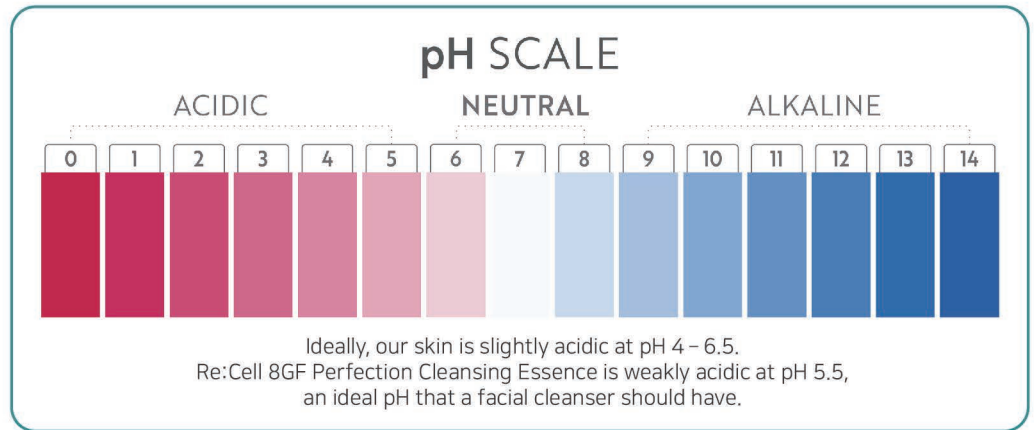

Coconut-derived natural surfactant is less irritating, and rich foam texture help effectively cleanse your skin while capturing moisture.

Essential Oils Content

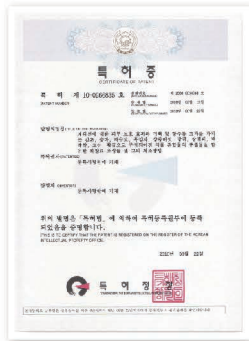

Essential oils content in a skin cleanser helps cleansed skin control balance while effectively control sebum excretion for softer skin, leaving a mild refreshing scent on your skin.

*Weakly acidic,
similar to skin's
natural pH*

Patented ingredients care:

10 Different oriental ingredients that nourish your skin

*Patented combination of
active ingredients moisturizes
and tones up skin.*

Peony root

Sophora root

Licorice root

Fleeceflower root

Black sesame extract

Scutellaria baicalensis extract

White mulberry bark

Black cohosh root

Phellinus linteus extract

Korean angelica extract

Facial cleanser as mild as it should
to prep your skin moist for next steps.

Active moisturizing ingredients

11-Hyaluronic Acid

Opuntia Ficus-Indica extract

Galactomyces ferment filtrate

Active soothing ingredients

Panthenol

Allantoin

Texture

- Mildly acidic and foamy without slippery feeling.
- Densely formulated foams present the softest touch.

Intense Cleansing

See the pictures on the right that prove how intense the cleansing effect would be against non-waterproof make-ups and concealers.

How to Use

• How to gently remove sebum and debris effectively in the morning:

Press down the pump two or three times to dispense the foam into your hands. Gently massage the foam all over the face and rinse the foam off with lukewarm water.

• How to cleanse makeup, oil, dirt, and other debris at night:

Remove make-ups. Press down the pump two or three times to get enough foam. Massage the foam all over the face for at least a minute and rinse the foam off with lukewarm water.

Get your
cleansing done
in a minute

Once your face is wet, pores need **30 to 40 seconds** until fully open.

- If you have sensitive or dry skin, gently massage the foam over the face for **30 to 40 seconds only**.

- If you have oil skin, massage the foam over the face for **at least a minute**.

TIP!

While **sebum** and **debris** are **removed**, **active skin-boosting ingredients** are **absorbed** into your skin when you massaging the form over the face.

Strongly recommended to those who:

Want mildly acidic facial cleanser with intensive cleansing effect;

Want their facial cleanser to capture moisture when applied to the face;

Want less-irritating facial cleanser for their sensitive skin;

Don't want to feel their skin tight and dry after cleansing; and

Want to make facial cleansing a morning routine.

It is rich in vitamins and minerals to balance the skin and helps the skin's natural collagen production, skin elastic.

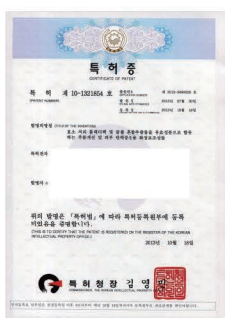

Enhance elasticity

Bee grass Extract

Contains rosmarinic acid, oleanolic acid, rutin, and flavonoids that improve skin elasticity, tone, and give skin a youthful appearance.

Moisturizing

Patented elasticity ingredient

BL-FILL UP

- EWG Grade 1 rated highly stable ingredient
- Combined with Canadian bladderwrack & honey grass extract
- Anti-aging by protecting skin with excellent antioxidant properties Stimulates elastin & collagen production to maintain full, healthy skin

Texture

- A non-sticky, semi-transparent gel-like cream.
- The moisture-rich texture blends smoothly to give your skin a fresh and hydrated look.

Requa Calming Gel Cream *For those of you,*

- ✓ need to soothe irritated skin
- ✓ have sensitive and delicate skin
- ✓ with dull and dry skin
- ✓ have dehydrated skin that needs more moisture than just a cream
- ✓ want a fresh, lightweight, yet long-lasting moisturizer

How to Use

- Ideal for daily skincare for sensitive, irritated skin.
- Use daily in combination with other skincare products for a noticeable improvement.

Use before daily morning and evening creams!

- During the summer season, when sebum levels are high, you can also use it in place of your morning/evening cream step.
- It provides ample moisturization and helps balance oil and moisture.

Also use it on irritated areas.

- It has excellent skin soothing effects and can be used topically on irritated areas such as the face, arms, legs, neck, and other areas that need soothing.

factors make skin even
more resilient.

Content of active, naturally derived soothing ingredients
makes the sunscreen a moisturizer.

Moisture-retaining contents that are naturally derived
keep skin moist and balanced.

Opuntia

Ficus-Indica extract

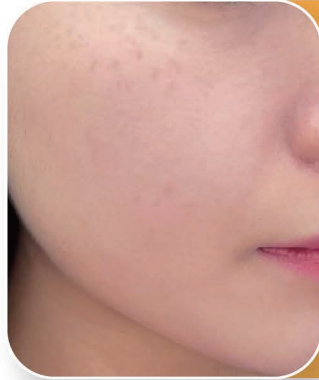

Soothes and moisturizes skin

Tangerine extract

Revitalizes and moisturizes skin

Elegantly your skin up with Re:Cell's
Triple-action Tone-up Technology

Triple-action Tone-up Technology

Wear Re:Cell sunscreen to cover pores and blemishes, and even out the skin tone all day long!

TIP!

Wear Re:Cell sunscreen to prep your skin for makeup.

Evening out the skin tone and adding another layer of moisture help your makeup lasts all day.

Texture

- Creamy, thinner texture that applies well to the skin without a white cast.
- Left feeling softer all day long.
- Retains elastic texture as applied, despite inorganic mineral ingredients.

How to Use

- **At the end of your basic morning skin care routine.**

Using with Re:Cell Biomimic Derma Cream and/or Advanced Regensome Cream adds another layer of moisture that help your skin prepped even further.

- **Apply proper amount to face, neck, arms, legs and any parts of the body that are exposed to intensive sunlight.**

Strongly recommended to those who:

- ✓ Need to combine sunscreen to daily skincare steps;
- ✓ Don't want their experience of wearing sunscreen greasy, sticky and oily;
- ✓ Want to wear sunscreen multiple times without white cast;
- ✓ Want to tone the skin up when sunscreen is worn; and
- ✓ Prefer less irritating sunscreen for all skin types and ages.
